## Highlights

### Personal coffee memory

You can program the coffeemaker to brew the amount of coffee you prefer and adjust the coffee quantity up to 145ml. Feel free to experiment and see what you like best.

### Smart guided touch panel

Operate your Philips coffeemaker in a modern and intuitive way with the unique and smart guided touch panel. The LED indicators guide you through the different functions of your coffeemaker to make your coffee experience even more convenient.

### Strength select function

Prepare your favorite cup of coffee by adjusting the strength and intensity of its taste. With the strength select function on your SENSEO®, you can choose between strong short and mild long coffee.

### BRITA® MAXTRA water filter

Get a more intensive aroma and flavor for your SENSEO® coffees and other hot drinks! The integrated BRITA® MAXTRA water filtration system reduces the lime scale and chlorine in tap water to ensure better taste.

### Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favorite cup or mug.

### Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.
